A. User Story 4: As a mobile phone user, I would like to be able to communicate my availability to the event planner and other attendees so that I can attend the event.

B. User Story 5: As a colorblind person, I would like to be able to communicate my availability to the event planner and other attendees so that I can attend the event.

Scenario:

1. Open link given by Event Planner
2. Tap Text Box under Your Name; type "Prasana"; and click Login
3. Area previously Text Box should be replaced with a Time Chart
4. Tap box under 6:00 and hold for 1 second
   a. Repeat for 6:00 to 11:30 in row for WED
5. Click on Save Button
6. Group Availability Chart should update to show the newly added Times

Unit Tests:

While we attempted to complete unit tests, due to a mixture of time constraints and being unsure of what unit tests to do after having done our system tests, we didn't pursue any further unit testing.
